

SAVE MONEY, SAVE TIME, SELL YOUR AIRCRAFT!

At *FLYER* we know that selling a aircraft or a share in one can be time-consuming and expensive. So to help you save time and money, we have put together a very simple three stage process that means you could have your helicopter or share advertised in the UK's leading GA magazine and online, with a link to the advert in *FLYER's* weekly newsletter.

All this exposure for only **£79.95!** And for a limited time only this price is also inclusive of VAT!

✓ **Stage one**
Choose your size – private sales adverts are available in multiples of 4x1 boxes

✓ **Stage two**
Send pictures and text into our dedicated production department to design your advert and web presence.

✓ **Stage three**
Payment – use any major credit or debit cards, then sit back safe in the knowledge that your aircraft or share is being advertised through the UK's most trusted and effective aviation media company.

Should your aircraft or share need more than one month to sell, additional months can be booked at the much reduced rate of £49.95 each. And again, for a limited time only, this price will include VAT.
